Memorandum of Understanding (MOU)

Between:

Jadhav Industries
532/5 MIDC
Gokul Srigaon
Dist Kolhapur
Maharashtra 413234

And:

Ideal Institute of Technology
At Posheri Taluka Wada
Dist: Palghar
Maharashtra 421303

Purpose:

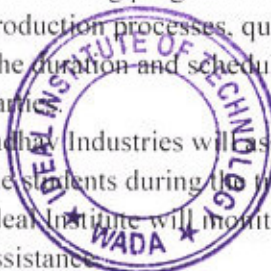

This Memorandum of Understanding (MOU) is entered into by and between Jadhav Industries (hereinafter referred to as "Jadhav") and Ideal Institute of Technology (hereinafter referred to as "Ideal Institute") for the purpose of providing training opportunities to students from Ideal Institute at Jadhav Industries.

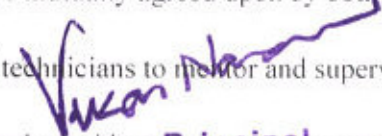

Objectives:

1. To provide students with practical training and exposure to real-world engineering projects in the field of industrial manufacturing.
2. To enhance students' technical skills and knowledge through hands-on experience and mentorship from industry professionals.
3. To foster collaboration between Jadhav Industries and Ideal Institute for the mutual benefit of students and the manufacturing industry.

Terms and Conditions:

1. Jadhav Industries agrees to provide training opportunities to students from Ideal Institute at its manufacturing facilities and production units.
2. Ideal Institute will nominate eligible students who meet the criteria for participation in the training program.
3. The training program will cover various aspects of industrial manufacturing, including production processes, quality control, safety standards, and equipment operation.
4. The duration and schedule of the training program will be mutually agreed upon by both parties.
5. Jadhav Industries will assign experienced engineers and technicians to mentor and supervise the students during the training period.
6. Ideal Institute will monitor the progress of the students and provide any necessary support or assistance.
